# Les solutions existent

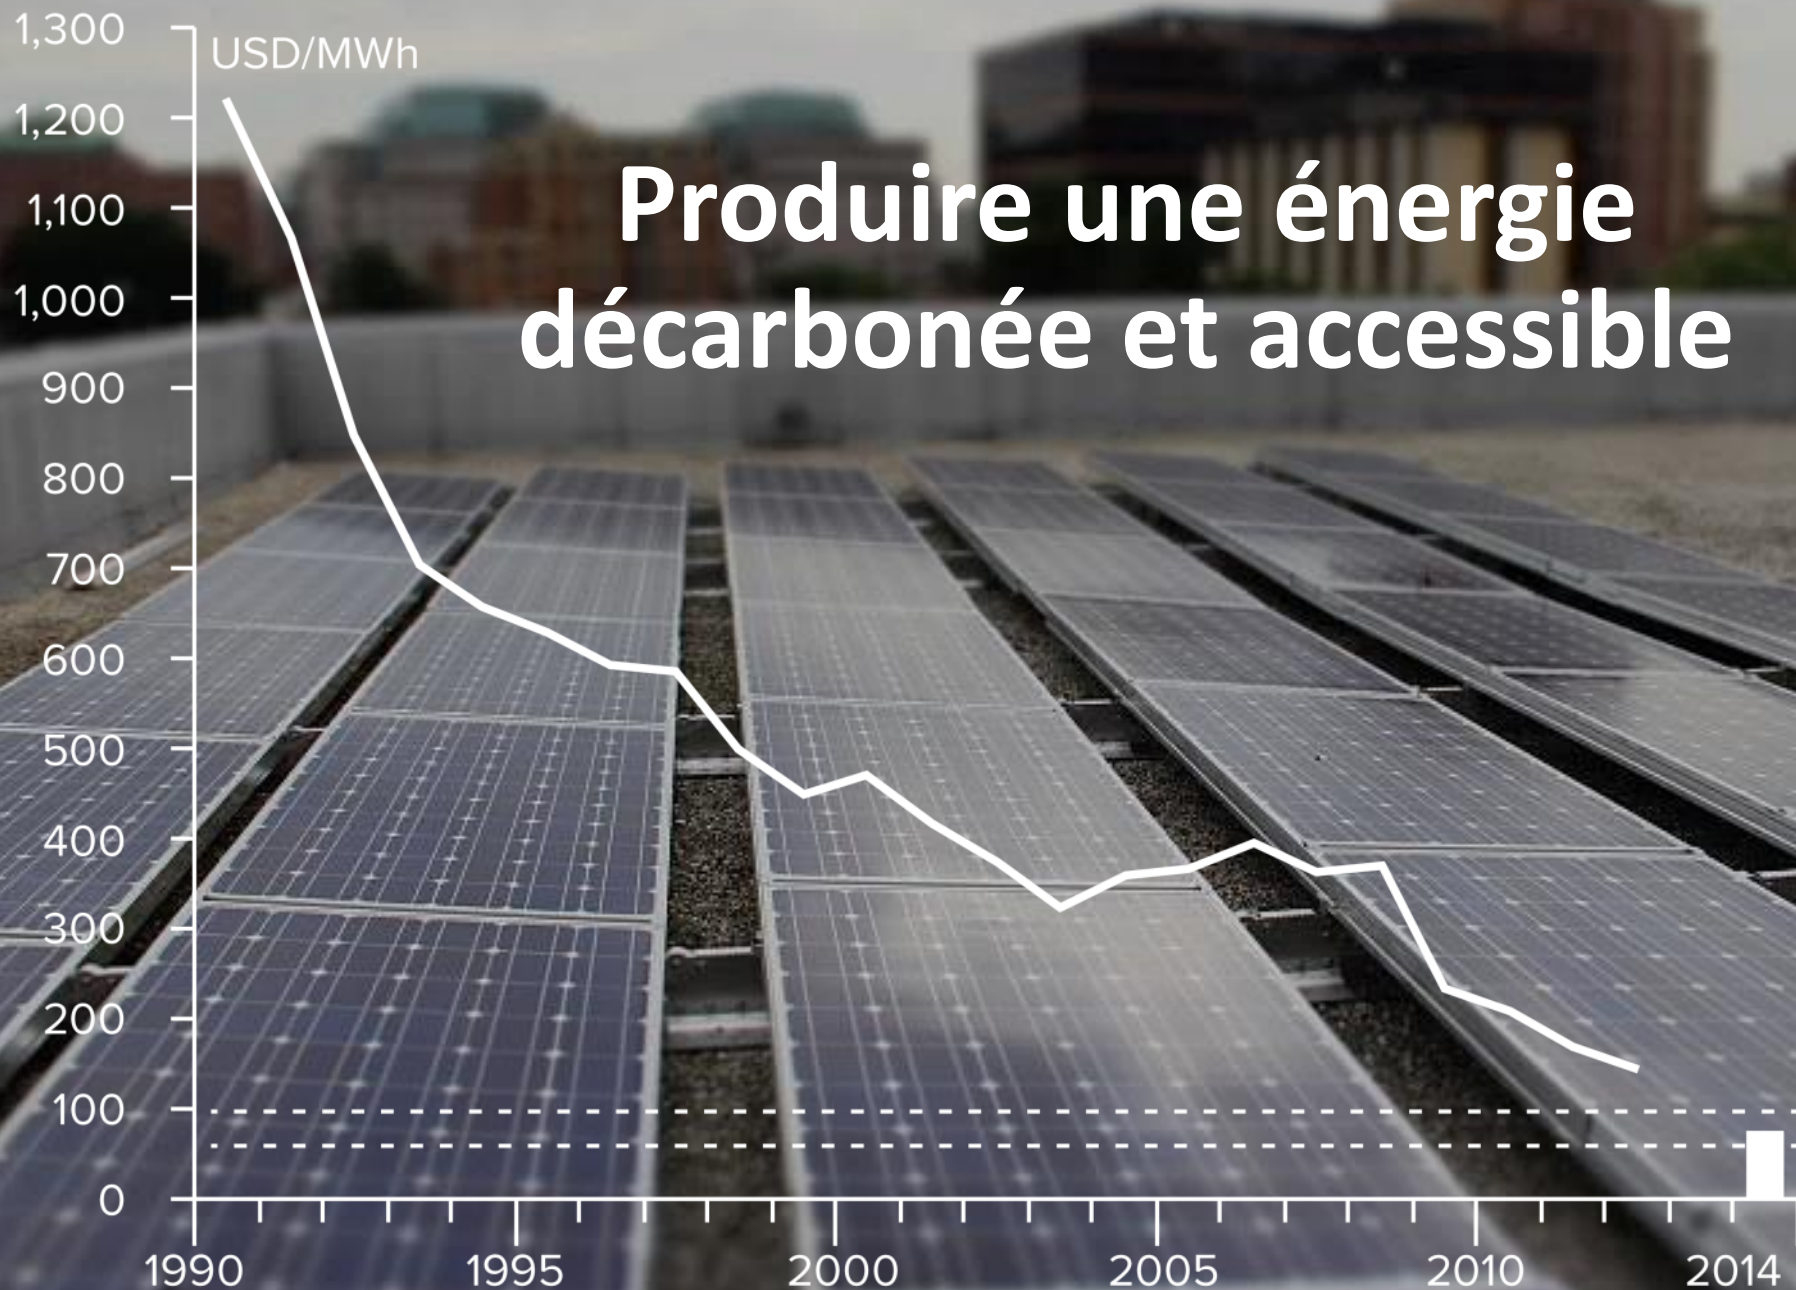

Source: *New Climate Economy, 2015*. "Estimates of Emissions Reduction Potential for the 2015 Report: Technical Note." A technical note for *Seizing the Global Opportunity: Partnerships for Better Growth and a Better Climate*. Available at: <http://newclimateeconomy.report/misc/working-papers>.

# Bâtir des villes durables

# Produire une énergie décarbonée et accessible

**Adapter les territoires aux climats  
d'aujourd'hui et de demain**

**Financer la transition vers  
une société bas-carbone**

Plenary 4:  
FINANCING  
THE  
LOW-CARBON  
ECONOMY
